If an application to the Superintendent of Financial Services (Superintendent) to consent to a refund of overpayment to an employer cannot be submitted within the time frame identified under section 78(4) of the PBA, what alternatives are available to the employer?

It is recognized that, under some circumstances, an overpayment may not be discovered in time to submit an application in the same fiscal year the overpayment was made. Where the Superintendent is satisfied that there are reasonable grounds for an extension of the time limit under section 78(4), an extension may be permitted in accordance with section 105 of the PBA.
