REASONS FOR DECISION

1. PJMH is a corporation established by the amalgamation of St. Joseph's Health Centre, St. Michael's Hospital and Providence Healthcare. It sponsors and administers the SEPP which is a public sector single employer pension plan that qualifies to apply for a transfer under section 80.4(1) of the PBA. HOOPP is a jointly sponsored pension plan that is sponsored and administered by the Board of Trustees of the Healthcare of Ontario Pension Plan.

2. On May 23, 2018, PJMH filed an Application under section 80.4 of the PBA for the Superintendent's approval of a proposed conversion and transfer of assets from the SEPP to HOOPP.
3. The effective date of the proposed transfer of assets is January 1, 2019.
4. On August 2, 2018, and August 30, 2018, PJMH responded in writing to the Superintendent's request for additional information regarding the transfer application. On June 19, 2018, and September 14, 2018, PJMH submitted additional materials to supplement the transfer application. These materials included certified copies of each type of the supplementary clarification addendum and subsequent clarification correction addendum to the standard notices sent by the SEPP to the affected members. These addenda and corrections had no impact on the benefit amounts disclosed in the standard notices.
5. Section 80.4(13) of the PBA provides that the Superintendent shall consent to the transfer of assets from a single employer pension plan to a jointly sponsored pension plan in accordance with the Application if all of the listed criteria are satisfied. These criteria are set out in section 80.4(13) of the PBA, which states:

80.4 (13) The Superintendent shall consent to the transfer of assets in accordance with the application if all of the following criteria, and such other criteria as may be prescribed, are satisfied:

- 1. Notice of the application for the Superintendent's consent has been given in accordance with this section to the members, former members, retired members and other persons entitled to benefits under the single employer pension plan and to any trade union that represents members of the plan.*
- 2. The employer of the single employer pension plan and the sponsors of the jointly sponsored pension plan have entered into an agreement with respect to the proposed transfer of assets.*
- 3. Notice of the proposed conversion of the pension plan and transfer of assets has been given in accordance with this section to the members, former members, retired members and other persons entitled to benefits under the plan, to any trade union that represents members of the plan and to the Superintendent.*
- 4. Consent to the proposed conversion and transfer of assets has been given or is deemed to have been given, in accordance with this section, by the members, former members, retired members and other persons entitled to benefits under the plan.*
- 5. As of the effective date of the transfer, the employer is a participating employer under the jointly sponsored pension plan.*
- 6. As of the effective date of the transfer, the transferred members and other transferees cease to be entitled to benefits under the single employer pension plan and they are entitled to benefits under the jointly sponsored pension plan.*
- 7. As of the effective date of the transfer, the commuted value of the pension benefits provided under the jointly sponsored pension plan for the transferred members is not less than the commuted value of their pension benefits under the single employer*

pension plan, as adjusted for any payments made from the single employer pension plan to a prescribed retirement savings arrangement or made directly to the transferred members in connection with the transfer of assets.

8. *As of the effective date of the transfer, the pension benefits provided under the jointly sponsored pension plan for the other transferees are, at a minimum, the same as the pension benefits provided for them under the single employer pension plan.*
9. *As of the effective date of the transfer, every transferred member is entitled to credit in the jointly sponsored pension plan for the period of his or her membership in the single employer pension plan for the purpose of determining eligibility for membership in, or entitlement to benefits under, the jointly sponsored pension plan.*

6. The Superintendent is satisfied that the following statutory criteria have been met:

- a. Notice of the application for the Superintendent's consent was provided in accordance with section 80.4(13)1;
- b. PJMH and the Board of Trustees of HOOPP entered into an agreement with respect to the proposed transfer of assets on November 30, 2017, thereby satisfying the criterion in section 80.4(13)2;
- c. Consent to the proposed transfer of assets has been given in accordance with section 80.4(13)4;
- d. PJMH is a partially participating employer in HOOPP in respect of certain of its other employees. As of the effective date of the transfer, PJMH will fully participate in HOOPP in accordance with section 80.4(13)5;

7. In order for the Superintendent to be satisfied that the criterion under paragraph 3 of section 80.4(13) has been met, HOOPP must file an amendment to the early retirement bridge benefit provision in the HOOPP plan text. Once this amendment is adopted and filed with the Superintendent in accordance with section 12 of the PBA, the description of the bridge benefit in the standard notice will accurately reflect the HOOPP plan provisions and notice will have been given in accordance with section 80.4(13)3 of the PBA.

8. In accordance with Schedule 10 of Ontario Regulation 311/15, proposed amendments to the SEPP and HOOPP were filed as part of the Application. On July 25, 2018, HOOPP provided the Superintendent with a revised draft of the proposed amendment to the jointly sponsored pension plan relating to the proposed conversion and transfer of assets under section 80.4 of the PBA (the "Proposed Amendments"). In order for the Superintendent to be satisfied that the criteria under paragraphs 6, 7, 8 and 9 of section 80.4(13) have been met, the following must be satisfied:

- a. HOOPP must file with the Superintendent the text of the SEPP in effect immediately prior to the January 1, 2019, transfer effective date, as a document that supports the benefits payable from HOOPP; and
- b. The Proposed Amendments to the SEPP and HOOPP must be formally adopted and an application for the registration of the Proposed Amendments must be filed with the Superintendent under section 12 of the PBA.

9. Once the SEPP text is filed and the Proposed Amendments are adopted and both filed as set out in paragraph 8 above, the criteria for the Superintendent's Consent under paragraphs 6, 7, 8 and 9 of section 80.4(13) of the PBA will be met. Once the amendment related to the early retirement bridge benefit provision in the HOOPP plan text is adopted and filed as set out in paragraph 7 above, the criterion for the Superintendent's Consent under paragraph 3 of section 80.4(13) of the PBA will be met.

10. Such further and other reasons as may come to my attention.

DATED at Toronto, Ontario, this 1st day of October, 2018.
