### **NOTICE OF INTENDED DECISION**

**I INTEND TO CONSENT**, under section 78(1) of the *PBA*, to the payment out of the Coats Canada Employees’ Pension Plan, Registration Number 0288563 (the “Plan”) in respect of the partial wind up of the Plan effective December 31, 1999, to **Coats Canada Inc.**, in the amount of \$608,786 as at September 30, 2009, adjusted for the applicable portion of the investment returns and actual expenses, plus adjustments to the actual date of payment, as determined in accordance with the Surplus Sharing Agreement.

**I INTEND TO MAKE THE CONSENT** effective only after the Applicant satisfies me that any payments pursuant to the Surplus Sharing Agreement to which the members, former members and any other persons are entitled, and any other payments to which the members, former members and any other persons are entitled, have been paid, purchased, or otherwise provided for.

## REASONS:

1. Coats Canada Inc. is the employer as defined in the Plan.
2. The Plan was partially wound up, effective December 31, 1999.
3. As at the partial wind-up date, December 31, 1999, surplus relating to the partial wind up of the Plan was estimated at \$2,031,011. A supplementary report to the partial wind-up report as at September 30, 2009, indicates the surplus to be \$1,217,572.
4. The application discloses that by written agreement made by the Employer, and 78.83% of the Eligible Members (as defined in the application), who were affected by the partial wind up (as defined in the application), or, if any such person is deceased, by his or her beneficiary who is legally entitled to claim through the member, the surplus in the wound up portion of the plan at the date of payment is to be distributed:
  - a) 50% to the Employer; and
  - b) 50% to the beneficiaries of the Plan as defined in the Surplus Sharing Agreement.
5. The Employer has applied, pursuant to sections 78(1) and 79(3) of the *PBA*, and section 8(1)(b) of Regulation 909, R.R.O. 1990 ("Regulation"), for consent of the Superintendent of Financial Services to the payment to the Employer of 50% of the surplus from the Plan, adjusted for the applicable portion of the investment returns and actual expenses, plus adjustments to the actual date of payment.
6. Since the Employer's application was filed, the *PBA* has been amended by Chapter 24, Statutes of Ontario, 2010. Section 79(3) has been replaced by section 79(3.1) and the requirements of section 8(1)(b) of the Regulation are now found in section 77.11 of the *PBA*.
7. Section 79(3.1) of the *PBA* provides:

"Subject to section 89, the Superintendent shall not consent to payment of surplus to an employer out of a pension plan that is being wound up in part unless,

  - (a) all of the criteria described in clauses (3)(a), (c) and (d) are satisfied; and
  - (b) the payment of surplus to the employer on the partial wind up of the pension plan is authorized either as provided in section 77.11, or by a court order declaring that the employer is entitled to the surplus when the plan is being wound up in part.

8. Sections 79(3) (a), (c) and (d) of the *PBA* provide as follows:
  - (a) the Superintendent is satisfied, based on reports provided with the employer's application for payment of the surplus, that the pension plan has a surplus;
  - (c) provision has been made for the payment of all liabilities of the pension plan as calculated for purposes of the termination of the pension plan; and
  - (d) the applicant and the pension plan comply with all other requirements prescribed under other sections of this Act in respect of the payment of surplus.
  
9. Sections 77.11(7) and (8) of the *PBA* provide:
  - (7) A written agreement among the following persons may provide for payment of surplus to the employer in the circumstances specified in the agreement and as of the date specified in the agreement:
 

.....

    3. If the surplus is to be paid to the employer on the partial wind up of the pension plan,
      - i. the employer,
      - ii. at least two-thirds of the members of the pension plan affected by the partial wind up (and, for this purpose, a trade union that represents or represented affected members on the date of the partial wind up may agree on behalf of those members), and
      - iii. the number which is considered appropriate in the circumstances by the Superintendent of former members and other persons who are affected by the partial wind up and who are entitled to payments under the pension plan as of the date of the partial wind up.
  - (8) A written agreement prevails over any document that creates and supports the pension plan and pension fund, it prevails over subsections (2), (3) and (4), and it prevails despite any trust that may exist in favour of any person.
  
10. The Superintendent considers that the agreement of 2/3 of the total number of former members and other persons who are affected by the partial wind up and who are entitled to payments under the Plan as of the date of the wind up is appropriate within the meaning of section 77.11(7) of the *PBA*.
  
12. The application appears to comply with sections 78(1), 79(3.1)(a) and (b) and section 77.11 of the *PBA*.
  
13. Such further and other reasons as come to my attention.
