1.2 Interpretation

- (1) The Authority’s expenses and expenditures that may be recovered through assessments and fees in respect of one or more assessment periods includes, as the Board determines is appropriate in the Authority’s final budget, amounts in respect of the expenses and expenditures incurred and made by the Authority.
- (2) The Authority’s expenses and expenditures that may be recovered through assessments and fees in respect of one or more assessment periods may include amounts assessed by the Lieutenant Governor in Council in respect of:
 - (a) expenses and expenditures referred to in section 15 of the FSRA Act that have been assessed on the Authority by the Minister; and
 - (b) expenses and expenditures referred to in section 15 of the *Financial Services Tribunal Act, 2017* that have been assessed on the Authority by the Lieutenant

Governor in Council.

- (3) References in this Rule to the Chief Executive Officer include reference to an authorized delegate of the Chief Executive Officer.
- (4) Words and phrases not defined in this Rule have the same meaning as ascribed thereto under section 1 of the FSRA Act unless a contrary intention appears.
- (5) Every use of the words “including” or “includes” in this Rule is to be construed as meaning “including, without limitation” or “includes, without limitation”, respectively.

PART 2 SECTORAL ASSESSMENT PROCESS

2.1 Preparation of Budgets by Authority

- (1) In respect of each assessment period, the Authority shall prepare a draft budget which sets out:
 - (a) the estimated total expenses and expenditures of the Authority in respect of the assessment period and a description of the direct costs estimated for each regulated sector and the common costs estimated for the Authority;
 - (b) the total fees that the Authority estimates will be charged in respect of the regulated sectors in respect of the assessment period; and
 - (c) the total estimated assessment in respect of each regulated sector and within such sector, as applicable.
- (2) The Authority shall undertake consultation with the regulated sectors as part of the Authority’s annual business plan process in finalizing such budget.
- (3) The Authority shall post the final budget in respect of an assessment period on the website of the Authority on a date to be determined by the Authority. Invoices for assessments in respect of variable rate sectors will only be issued after the Authority posts such final budget.

2.2 Determination and Allocation of Direct Costs and Common Costs by Regulated Sector

- (1) In respect of the estimated total expenses and expenditures of the Authority in respect of an assessment period, each budget prepared by the Authority under section 2.1 shall set out the direct costs in respect of each regulated sector and within such sector, as applicable, in respect of the assessment period covered by the budget, together with the aggregate common costs in respect of the assessment period.
- (2) Each budget prepared by the Authority under section 2.1 shall allocate the common costs in respect of the assessment period covered by the budget among the regulated sectors on such basis as the Authority determines appropriate; provided that unless otherwise specified by the Authority in the budget, common costs remaining after the mortgage brokering sector common cost contribution (if any) estimate is deducted from the overall common cost estimate in respect of the assessment period covered by the budget shall be allocated in the budget among the variable rate sectors based on their *pro rata* share of the aggregate direct costs of the variable rate sectors in respect of that assessment

period.

2.3 Operating Reserve Amount

- (1) The Authority shall maintain an operating reserve amount that may be used to respond to unforeseen events or circumstances.
- (2) The operating reserve amount in respect of a particular assessment period shall not exceed 5% of the total budget for that assessment period.
- (3) Notwithstanding subsection 2, if the operating reserve amount carried over from a previous assessment period is greater than 5% of the total budget, then
 - (a) the Board shall not include allocations to the operating reserve amount under 2.3(1) for that assessment period; and
 - (b) the Authority shall not be required to reduce the operating reserve amount.
- (4) No amount in respect of the operating reserve amount shall be used or applied by the Authority, except as authorized by the Board.
- (5) If any portion of an operating reserve amount is unused at the end of an assessment period, it shall be held as an operating reserve amount for the next assessment period.
- (6) If funds are used from the operating reserve for a specific variable fee sector, then that sector shall include that cost for replacing such funds in the operating reserve as a sector-specific cost for calculating a future assessment following the withdrawal of those funds.

PART 3 CREDIT UNIONS SECTOR ASSESSMENTS AND FEES
