## Third set of policy change forms

### Bulletin

**No. A-06/95**  
- Auto  
Property & Casualty

#### [To the attention of all insurance companies in the Province of Ontario licensed to transact automobile insurance]

The Ontario Insurance Commission (OIC) is releasing, with this bulletin, 20 policy change (endorsement) forms that are to be used with these already issued plain-language documents - *the Ontario Automobile Policy* (OAP 1) and *the Ontario Application for Automobile Insurance* (OAF 1).

These 20 forms represent the third group of forms that have been released, and now complete the updating of forms associated with the switch to the OAP 1 and OAF 1 documents.

#### Insurers must inform their brokers or agents of these changes

The first set of policy change (endorsement) was issued on March 11, 1994 through *OIC Bulletin 5/94* (this bulletin also contained the OAP 1 and the OAF 1). The second set was issued on March 10, 1995 through *OIC Bulletin A-2/95*.

Eventually, this third set of policy change (endorsement) forms will be reformatted in plain language. At this time, only minor revisions have been made in this current release of forms.

Specifically :

- All references to "OEF" are updated to read "OPCF".
- All references to "endorsement" are amended to "change form".
- Section references are changed to coincide with the OAP 1.
