Revised OEF 4a, 5 and 5c

Bulletin

No. 17/93
Property and Casualty
-Auto

FSRA is actively reviewing all FSCO regulatory direction, including but not limited to forms, guidelines and FAQs.

Until FSRA issues new regulatory direction, all existing regulatory direction remains in force.

Here's the new wording for three Ontario endorsement forms.

- 4a Permission to Carry Explosives Endorsement
- 5 Permission to Rent or Lease Endorsement (Specified Lease)
- 5c Permission to Rent or Lease Endorsement (unspecified lessees - short term leases only)

Ontario companies writing automobile insurance should use the revised forms beginning December 1, 1993. These attached revisions are the result of an ongoing review program between the Commission and the industry.

Please attach the revised versions to all new policies and destroy old versions of these forms. After December 1 the new wording will apply to all policies.

New Wording

Endorsement forms 5 and 5c

The changes on both forms correct exclusion 1.3.2. by adding the words except where R.S.O. 1990 C.I.8 s. 263, Direct Compensation - Property Damage applies.

Endorsement form 4a

Reference to any exclusion in Part C has been deleted.

D. Blair Tully
Commissioner
