FSRA is actively reviewing all FSCO regulatory direction, including but not limited to forms, guidelines and FAQs.

Until FSRA issues new regulatory direction, all existing regulatory direction remains in force.

## Resources from the Webinar on the Valuation and Division of Pension Assets on Breakdown of a Spousal Relationship

You are here: Home > Pensions > Information Sessions > Webinars > Resources from the Nov 2011 webinar

This web page provides access to information that was presented at the Financial Services Commission of Ontario's (FSCO) Webinar on the Valuation and Division of Pension Assets on Breakdown of a Spousal Relationship which took place in November and December 2011.

The new rules relating to the valuation and division of pension assets on breakdown of spousal relationship come into effect on January 1, 2012. As a pension plan administrator, you need to familiarize yourself with how the new rules and processes have changed. To learn more about these, we encourage you to review the following resources:

- Webinar Recording
- Presentation slides with speakers' notes 💆
- Family Law Forms
- Questions and Answers

## Follow FSCO on social media

Consultations	>
	,
Family Law	>

## Notes:

- 1) We are currently preparing answers to all questions received during and after the webinar. These questions and answers will be posted early 2012.
- 2) The Family Law Form 4E has been updated since the recording of this webinar. Please see the updated Form 4E for more detailed information.
