FSRA is actively reviewing all FSCO regulatory direction, including but not limited to forms, guidelines and FAQs.

Until FSRA issues new regulatory direction, all existing regulatory direction remains in force.

## Pension Policies

Pension policies which are currently applied by Financial Services Commission of Ontario (FSCO) are listed under [Active Pension Policies](#).

FSCO is currently reviewing and updating all active pension policies. For those policies which have not yet been updated, the information at the top of each policy still reflects the policy approval process adopted by the former Pension Commission of Ontario (e.g., most of those policies have been approved by either the former Superintendent of Pensions or the former Pension Commission of Ontario).
