

User Guide Application for Registration of a Pension Plan - Form 1

Approved by the Chief Executive Officer (CEO) pursuant to the Pension Benefits Act, R.S.O. 1990, c. P.8, as amended

General Information

Pension plans providing benefits to employees in Ontario are subject to the Ontario Pension Benefits Act (PBA). Section 9 of the PBA requires that a plan administrator apply to the Chief Executive Officer (CEO) for registration of a pension plan using the Form 1 (Application for Registration of a Pension Plan). Employer pension plans are registered with the jurisdiction in which the plurality of active members are employed*.

If you have a pension plan that covers employees in multiple Canadian jurisdictions, including Ontario, and the plurality of membership is **not** in Ontario, **do not use this form**. You will need to apply to the jurisdiction that has the plurality of active members.

This application must be made within 90 days of the establishment of the pension plan (section 2 of Regulation 909 (Regulation) and submitted with the documents required under section 9(2) of the PBA and the required registration fee of \$250 (cheque payable to the **Financial Services Regulatory Authority of Ontario**). This must be sent to:

Pensions
25 Sheppard Avenue West,
Suite 100, Toronto ON M2N 6S6

The CEO will issue a certificate of registration for each pension plan registered under the PBA. The CEO may refuse to register a pension plan that does not comply with the PBA and the Regulation.
